NBT Bank is an independent community bank with nine offices in Oneida and Herkimer counties. We have been in business since 1856 and are proud of our heritage of building long-term financial relationships. NBT offers a wide range of financial products and services to help meet the needs of our customers. We provide checking accounts, savings and retirement plans, residential mortgages, personal and small business loans, commercial banking and trust and investment services. Our guiding principles are excellent customer service, a strong commitment to the communities we serve and local decision-making.

As a community bank, we are dedicated to giving back to the areas we serve in the Mohawk Valley. Over the years, NBT Bank has supported numerous organizations and causes. We provide financial support to groups ranging from local Little Leagues to the Stanley Center for the Arts to large health-based organizations. In addition to this financial support, NBT employees contribute their time and expertise to many local committees and boards. We take our role as a corporate citizen very seriously, and we are proud to do business in and support Oneida and Herkimer counties.
